## H3 Table Tents for Guest Rooms

These two-sided table tents help you to clearly mark guest rooms reserved for non-smokers or smokers. Reverse side of the table tent highlights the importance of respecting the hotel policy of designated rooms for non-smokers and smokers. Made of lightweight plastic, these tents can easily be wiped clean (2 5/8" x 4").

- H3a — "This Room Has Been Designated To Accommodate Smokers."  
(Red and Green)
- H3b — "This Room Has Been Designated To Accommodate Non-Smokers."  
(Red and Green)
- H3c — "This Room Has Been Designated To Accommodate Smokers."  
(Silver and Gold)
- H3d — "This Room Has Been Designated To Accommodate Non-Smokers."  
(Silver and Gold)

## H4 Source Book: Eight Steps To Becoming An Accommodating Hotel

A complete guide to help you accommodate your non-smoking and smoking guests. This 51-page softcover book includes sections on designating separate areas in hotel lobbies and public areas, designating rooms for non-smokers and smokers, improving and maintaining ventilation systems, and accommodating guests in hotel restaurants and lounges (7" x 9").

For in-depth HVAC information, order the HVAC Technical Bulletin for Hotels and Motels in this catalog.

Maximum order quantity: 1 per establishment
